

Name: **The Spook**

Marcus Spector

Title: **Legends of Justice: Shadows out of the East**

Power: **Psychological Invisibility**
Can make people not notice him with his mind

Weakness: **Subconscious Obstacles**
Even when "invisible", people will get in his way

Quirk: **Unswayed by emotional extremes**

Traits:

Power Stunt: **The Bond Effect**

can use his real name as an "alias" and no one will catch on

A **Gypsy** in every Port

well known and liked among the Rom, who can be found almost everywhere

Cunning Linguist

speaks many languages

Extraordinarily Well Equipped

usually has the right tool for the job, whatever that might be

Graceful Movement

highly dexterous, rarely stumbles or falls

Master of Disguise

Can alter his appearance to deceive others

Suave & Debonair

presents a smooth, polished persona

Terribly Mysterious

not much is known about his past, and he uses that to his advantage

Trained in the Orient

has traveled to The East, and learned some of their ways

Well Traveled

familiar with remote and exotic lands

Gypsy Amulet

A gift from the Gypsies this amulet preserves health and speeds recovery time

Flaws:

Mistrusts Science

Will go with a less complex solution that is harder to accomplish over an easy one that is technological

Storypath Cards:
