

Name: **The Spook**

Marcus Spector

Title: **Legends of Justice: Shadows out of the East**

Power: **Psychological Invisibility**
Can make people not notice him with his mind

Weakness: **Subconscious Obstacles**
Even when "invisible", people will get in his way

Quirk: **Unswayed by emotional extremes**

Traits:

- * **Power Stunt: The Bond Effect**
Can use his real name as an "alias" and no one will catch on
- * **A Gypsy in every Port**
Well known and liked among the Rom. who can be found almost everywhere
- * **Cunning Linguist**
Speaks many languages
- * **Extraordinarily Well Equipped**
Usually has the right tool for the job, whatever that might be
- * **Graceful Movement**
Highly dexterous, rarely stumbles or falls
- * **Master of Disguise**
Can alter his appearance to deceive others
- * **Suave & Debonair**
Presents a smooth, polished persona
- * **Terribly Mysterious**
Not much is known about his past, and he uses that to his advantage
- * **Trained in the Orient**
Has traveled to The East, and learned some of their ways
- * **Well Traveled**
Familiar with remote and exotic lands
- * **Gypsy Amulet**
A gift from the Gypsies that preserves health and speeds recovery time

Flaws:

- * **Mistrusts Science**
Will go with a less complex solution that is harder to accomplish over an easy one that is technological
